

Callis Z5000 PRO

Entry-level slat-belt treadmill for home-use and small spaces

The Callis Z5000 PRO has been developed specifically as an entry-level slat-belt treadmill that suits the needs of the everyday user.

The Z5000 PRO has all the benefits of our premium slat-belt technology (low impacts on joints, zero slippage, advanced speed control) packed in a compact body that fits to small spaces and home studios.
